A high-angle, wide shot of a city skyline at sunset. The sky is a deep, warm orange, transitioning to a lighter hue near the horizon. The city is filled with numerous skyscrapers and buildings, many of which are illuminated with warm, golden lights. In the foreground, a large, modern building with a curved facade and a blue and white patterned exterior is prominent on the right. The overall atmosphere is one of a bustling, modern city at the end of the day.

THANK YOU
